

#KNXis30 Celebration

#KNXis30 will not only go down in history as the longest KNX 'break-free' event in history, it will also put a special light on the entire world of KNX! Celebrate with us 30 great years of KNX together with our KNX National Groups! Learn about the latest developments and take your chance to become winner of one of the more than 180 prizes, we have prepared for you!

Check out the detailed agenda and follow us on social media – We promise you, it will be a whole new experience for you!
